E) If an individual is either elected or appointed to a position that he/she is not qualified for, he/she shall not be recognized within the Emergency Operations Chain of Command, outside of their respective company’s first due response area. In this event, the Company President may request a onetime exemption in writing and it must be approved by the Charles County EMS Chiefs & CCAEMS.
ARTICLE XIV FORMATION OF NEW EMERGENCY MEDICAL SERVICE UNITS (RESCUE SQUADS)

Section 1  GENERAL

Pursuant to the Laws of Charles County and the State of Maryland, new Emergency Medical Service units (Rescue Squads), or the addition of new stations by existing CCAEMS member companies, must be approved by this ASSOCIATION in order to assure their eligibility for Charles County Fire / EMS tax funds or other public monies. Therefore, when a group wishes to form a new Emergency Medical Service unit or an existing member company wishes to add an additional station, the following procedures must be adhered to. (See Section 2 below)

Section 2  Procedure

A. Representatives of the proposed new unit must make a formal written request to the body of this ASSOCIATION. The petitioner must provide the ASSOCIATION with the following information:

1. A list of no less than twenty five (25) prospective members from the petitioner’s community. The list shall include the names and addresses of all prospective members. A minimum of fifteen (15) people on the petitioner’s list must not be / not have been recently affiliated with a Charles County Fire or EMS department.

2. All persons on the petitioner’s list of prospective members must commit to becoming members of the new station.

3. A basic description of the services to be provided by the new station (Fire, EMS, Fire/EMS, etc.).

B. Upon receiving the petition, the CCAEMS President will deliver a copy of the By-Laws to the petitioner. The CCAEMS President will then contact the CCVFA President to form a “Joint Committee” to assist the petitioner with development of the new station. The joint committee shall be comprised of the CCVFA and CCAEMS Executive Committee Chair, the County Fire Chief, the County EMS Chief, a representative of the petitioner and one representative from each adjoining first due area. The committee shall be tasked with reporting on the following issues:

1. The committee will identify the service area (first due) using both mileage figures and response time figures.
2. The committee will establish street (running) assignments.

3. The committee will establish an ideal response time goal based on the type of protection required in the new service area (i.e. - low density single family residential, high density multi-family residential, commercial, industrial, etc.).

4. The committee will determine the service demand (potential call load).

5. The committee will determine immediate and long term budget impact.

6. The committee shall evaluate the petitioner’s financial plan.

7. The committee will determine the effect on adjoining stations (reduced call load for overburdened stations).

8. The committee will determine the current population and growth potential in the new service area.

9. The committee will also suggest an appropriate apparatus configuration for the new station based on the information it has compiled relative to anticipated service demand and available staffing.

10. The petitioner’s members will be absorbed into the Fire / EMS system. The committee will contact interested Chief’s and direct the new personnel into host stations for training and acclamation purposes. The new personnel will become members of the host company if necessary in order to receive appropriate training and practical experience. The petitioner’s members shall remain affiliated with the host company until the new station is ready for service.

11. The committee shall query all existing stations to determine whether or not “veteran” personnel are interested in becoming members of the new station. The veteran personnel can be used to fill key leadership positions to help assure the success of the new station.

12. The committee shall guide the petitioner through the process of becoming a legally chartered Maryland corporation with tax exempt status.
13. All reports are to be filed in writing by the third regular business meeting after presentation of the petition, a copy must be provided to the President, Secretary, and all member units.

C. The member units will vote on the admittance of the new unit at the next regular business meeting following the committee reports.

D. After the vote, the Secretary shall send a letter to the Executive Committee Chairman and the County EMS Chief concerning the status of the proposed new unit.

E. When a new unit or station receives a majority favorable vote:

1. The Executive Committee Chair shall call for a meeting of the Charles County Board of Fire and Rescue Commissioners to gain recognition of the new company or station by the Board.

2. Once recognized by the Board of Fire and Rescue Commissioners, the Executive Committee shall include the new company or station in the budgetary process.

3. The Communications Board member shall inform the Chief of Communications so the appropriate Company number may be assigned.

ARTICLE XV BY-LAWS

Section 1 AMENDMENTS AND CHANGES

A. These By-Laws may be amend or changed by a two-thirds (2/3) vote of delegates present and voting at the Annual Meeting of the Association, providing the following requirements have been met.

1. The proposed amendment or change shall have been submitted to the delegates in writing by the Secretary or member unit offering the proposal.

2. The proposed amendment or change shall have been presented to the member units at least sixty (60) days prior to the Annual Meeting.
3. Any member unit sponsoring such changes shall have them submitted to the membership on Company stationary and certified by a Company Officer.

Section 2

The foregoing By-Laws are hereby made effective and prescribed the rules which shall govern the ASSOCIATION in its deliberations. All rules of order not herein provided for, shall be in accordance with Robert’s Rules of Parliamentary Procedure, (Robert’s Rules of Order), Revised.

Section 3

It is understood that the contents of these By-Laws should not be construed as being contrary to the Laws of the State of Maryland.
